Hangarkeeper's liability insurance may be required if aircraft are on the premises for safekeeping, storage, service or repair.
 - 6. Submit a verified statement that there is a commitment from a fuel supplier to supply fuel. Such commitment shall specify the types and volumes of fuel available to the FBO.
- B.** Upon commencing operations, a fixed base operator shall:
- 1. Be required to make available to the Division a financial statement annually, at the close of the state's fiscal year.
 - 2. Obtain and keep current during the term of its use permit all federal, state, and local licenses required and shall comply with all federal, state and local rules, regulations and policies governing the use of the Airport.
 - 3. Be available as required by airport management, either individually or in connection with the other FBO's situated at the airport, to provide service and to respond to emergencies during after-hours.
 - 4. Report all data pertaining to gallons and types of fuel pumped. The FBO shall report other types of information as required by additional use permits. Reports shall be provided in a timely manner to the airport management and other requesting agencies.
 - 5. Report all activity for which fees are established and pay all fees before the tenth calendar day of the month.

6. Retain all financial records at the airport. The FBO shall maintain those records for five years and comply with all auditing requirements set forth in the use permit.
7. Provide airport management with a list of all employees having access to airport security areas and notify airport management of any changes. In addition, the FBO shall provide verification of compliance with required employee security checks in accordance with federal, state and local rules, regulations and policies governing the use of the airport.
8. Comply with all FAA and NFPA inspection criteria. The FBO shall provide airport management with a copy of their written fueling operations procedures, safety and inspection manuals and records, as required by FAA and NFPA regulations. The FBO shall have an approved, written, spill-prevention contingency and control plan which meets all applicable standards.

Historical Note

Adopted effective May 2, 1990 (Supp. 90-2).

R17-2-204. Airport ground leases

- A. The Division may enter into leases for airport property for the operation of businesses which foster the development of the airport.
- B. All leases for property, other than the existing or any future public use terminal facility, shall be based on a competitive bids process as specified in A.R.S. § 41-2534. At a minimum, leases shall be based on a price per square foot of property as valued through an appraisal of that property. In addition, leases shall contain provisions for not less than the percentage set forth in the following schedule:
 1. Food and beverage - 5%
 2. Rental of personal property - 10%
 3. Retail sales of merchandise - 10%
 4. Other - As negotiated

Historical Note

Adopted effective May 2, 1990 (Supp. 90-2).

R17-2-205. Airport Parking

This Section shall apply to all persons or entities who use the airport and its facilities:

- A. No parking zones. No one may park a vehicle in areas designated as no parking zones. No parking zones shall be designated by signage or red-painted curbs.
- B. Driving or parking a vehicle in any area on property which has been closed by the use of barricades, chains, or other traffic control devices is prohibited. On special occasions, and in emergencies, parking limitations may be imposed by Airport Management as required by the particular circumstances.
- C. Parking a vehicle on pedestrian paths, sidewalks, or safety zones is prohibited.
- D. Parking a vehicle in such a location as to obstruct another parked vehicle is prohibited.

- E. No camping is allowed on the airport property except in designated areas.

Historical Note

Adopted effective March 17, 1995 (Supp. 95-1).

R17-2-206. Airport Impoundment Procedures

This rule shall apply to all persons or entities who use the airport and its facilities:

- A. The Airport Management may remove and impound any aircraft or other vehicles found on state property:
 1. Parked in an area designated and posted as restricted area;
 2. Parked in violation of these rules;
 3. Abandoned on airport property for more than 14 days without prior notification and permission of Airport Management;
 4. Whose owner has failed to pay parking fees for 15 days after the date of the first statement that a parking fee is due. The parking statement shall be attached to the aircraft or other vehicle;
 5. Parked in such a way as to constitute a hazard or impediment to the general public or to the movement and operation of aircraft or emergency equipment.
- B. At the time of removal for impound, a Notice of Impound shall be posted by airport officials as near to the location from which the aircraft or vehicle was removed as is practical, and a copy of the notice shall be mailed by airport officials to the address listed on the aircraft, or vehicle registration in the aircraft or vehicle, or in the airport records. If no address is known to the Airport Manager, the notice shall be published twice in a daily newspaper with a general circulation in Coconino County, within a period of ten working days from time of impound. The notice shall describe the aircraft or vehicle, the parking violation requiring impoundment, the location at which the aircraft or vehicle is being impounded, the name and address of the person to see about the impound, and the owner's right to file a request for a hearing under subsection (D) of this Section.
- C. The owner of the aircraft or vehicle shall be responsible for costs involved in removing, impounding, and storage of such aircraft or vehicle, and any costs incurred by publication of the Notice of Impound. The Airport Manager shall have any vehicle towed by a tow company licensed by the Department of Public Safety, or any aircraft towed by a Fixed-Base Operator licensed by ADOT Aeronautics Division.
- D. Any person affected by a decision made within the Aeronautics Division pursuant to this Chapter may request a hearing before the Director of Aeronautics. The person shall request such a hearing in writing to the Division Director not more than 30 days after the action of the Aeronautics Division. Except for the modification of the time limits provided in this Section, the hearing shall be held in accordance with A.R.S. Title 41, Chapter 6, Article 6.

Historical Note

Adopted effective March 17, 1995 (Supp. 95-1).

GRAND CANYON NATIONAL PARK AIRPORT

GROUND TRANSPORTATION OPERATING PROCEDURES

As operators of Tours, Courtesy Transportation, Taxi, Limo, or Shuttle Bus services at the Grand Canyon National Park Airport, our goal is the efficient flow of traffic and the safe conduct of all users of the Airport.

We agree to instruct our employees and drivers to follow the procedures outlines here in order to achieve that goal:

1. The posted speed limit for Airport roads is **25 mph**. In front to the terminal and on the South Ramp road it is **15 mph**. We will observe these limits.
2. There will be **NO PARKING** on the left (EAST) side of the road in front of the Terminal. **NO EXCEPTIONS**
3. **PASSENGERS WILL BE LOADED IN THE PARKING LOTS ONLY.** Passengers may be **OFF LOADED** in front of the Terminal if standing and idling time does not exceed **5 minutes**. Exceptions will be made for handling handicapped passengers, significant baggage and inclement weather.
4. Operators will **NOT STOP** in the **RED CURB ZONE** 20' either side of the pedestrian crosswalk, in front of the Terminal, Fire Station, or Grand Canyon Airlines. We will maintain visual clearance for pedestrians entering the crosswalk.
5. A limo and schedule Shuttle Stop will be signed at the South end of the Terminal, just beyond the baggage area. It is reserved for limo and scheduled shuttles only.
6. The **BLUE CURB ZONE** at the North end of the Terminal marks the non-scheduled taxi stop. Competing companies will queue in alternating order. **PASSENGER SOLICITATION IS PROHIBITED ANYWHERE ON AIRPORT PROPERTY, EXCEPT INSIDE YOUR COUNTER SPACE.**
7. Bus turn-outs and pull-outs will be used on the South Ramp road. Buses will not load, unload or block the lanes of this road. **Maximum speed is 15 mph.**
8. Ground transportation operators will help with Airport Safety and Security by **CLOSING RAMP ACCESS GATES AFTER EACH USE** should they assist in loading or off loading at a gate area.

FEDERAL AVIATION ADMINISTRATION PROVISIONS

1. The Permittee for himself, his heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree that in the event facilities are constructed, maintained, or otherwise operated on the said property described in this Permit for a purpose for which a Department of Transportation (DOT) program or activity is extended or for another purpose involving the provision of similar services or benefits, the Permittee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to Title 49, Code of Federal Regulations, DOT, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-Assisted Programs of the Department of Transportation-Effectuation of Title VI to the Civil Rights Act of 1964, and as said Regulations may be amended.
2. The Permittee, for himself, his personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree that: (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under such land and the furnishing of services thereon, no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that the Permittee, shall use the premises in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, DOT, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-Assisted Programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.
3. That in the event of breach of any of the above nondiscrimination covenants, the Arizona Department of Transportation (ADOT), Aeronautics Division, shall have the right to terminate the Permit and to re-enter and repossess said land and the facilities thereon, and hold the same as if said Permit had never been made or issued. This provision does not become effective until the procedures of 49 CFR Part 21 are followed and completed including expiration of appeal rights.
4. Permittee shall furnish its accommodations and/or services on a fair, equal and not unjustly discriminatory basis to all users thereof and it shall charge fair, reasonable and not unjustly discriminatory prices for each unit or service; PROVIDED THAT, the Permittee may be allowed to make reasonable and nondiscriminatory discounts, rebates or other similar type of price reductions to volume purchasers.
5. Non-compliance with Provision 4 above shall constitute a material breach thereof and in the event of such non-compliance, the ADOT Aeronautics Division or the United States either or both said Governments shall have the right to judicially enforce Provisions.
